Tech Adjust Flip Table.

Introducing the Tech Adjust Table, the perfect solution for all your education & training needs. With its unique flip top design and height adjustment features, it makes learning easier than ever. The Ascend Table is suitable for all age groups, making it the perfect fit for classrooms and training centres of all kinds.

Assembling the table is a breeze thanks to its user-friendly design, taking less than 5 minutes to build from scratch. The mechanism locks while being used, so you can work without wobble. And finally, the safety lock feature ensures that the top remains upright while being stored, providing added safety and security.

Key Features

A. Technician Adjustable

Technician adjustable for all age groups in 40mm increments from 600 - 840mm (includes 25mm worktop thickness).

B. Fast Assembly

Comes mostly assembled and can be installed in less than 5 minutes.

C. Safety Locking

When tilted upright, the mechanism will lock to prevent an accidental return to horizontal.

D. No-wobble Tilt Mechanism

Easy use flipping mechanism - Our precision mechanism locks in super tight horizontally so there is zero wobble in the top.

In Detail

Easy Use Flipping Mechanism

Our precision mechanism locks in super tight horizontally so there is zero wobble on the worktop.

Space Saving

When it's time to clear some space, this desk folds and nests together for easy storage.

Mobility for Easy Shifting
